Any student's jewellery should be such that it cannot cause danger to either themselves or others, and cannot become caught when working with equipment/machinery or during play. Make-up must be minimal and appropriate for school.

Commemorative Jumpers

In Year 6 and 12, students will be invited to purchase an optional commemorative jumper for their final year of primary and senior school. Students are involved in the design of these jumpers which will be coordinated through the EFS Uniform Shop and distributed when completed.

Hats

All students attending R-6 campuses are required to wear a sun safe hat throughout Term 1 and Term 4 when participating in any outside activities such as play breaks, physical education and daily fitness lessons. At the 7-12 campus students are encouraged to wear hats while outside for extended periods of time including physical education, sporting events and agriculture.

Second-hand Uniform Sales

The EFS Uniform Shop will also run a quality second hand section. If uniforms are maintained to a good standard they will be able to be sold through the shop. This service will take time to develop but will be a valuable asset in future years.
